

# **TOTAL CLEANLINESS**

(Drawn on CLEAN INDIA MISSION)

**Cleanliness is next to godliness**

**Physical cleanliness is an expression of a clean mind.**

**Cleanliness is a lifestyle.**

## **Two dimensions of cleanliness**

1. Personal Cleanliness

Clean Mind + Clean Body + Clean Dress + Clean Work

2. Environmental Cleanliness

Clean Class-room + Clean School Campus + Clean House + Clean Surroundings

**Objective: BEING CLEAN ONESELF AND DISSEMINATE THIS VALUE AMONG PEOPLE OF HIS SURROUNDINGS.**

## MISSION STATEMENT

**BY THE NEXT THREE YEARS, THE SCHOOL WANTS TO ACHIEVE “TOTAL CLEANLINESS” A CONCEPT OF CLEANLINESS TO BE IN-BUILT IN THE MIND OF EACH AND EVERY CHILD THAT IT BECOMES A DRIVE IN HIM OR HER TO KEEP THEM TOTALLY CLEAN AND THEIR SURROUNDINGS AS WELL.**

There can be **three approaches** to cleanliness:

**Positive Approach:** Deliberately clean - personally one is always neat and clean.

One is conscious never to litter the place. Eg. He gets a toffee. If he eats it then and there, he will never throw the wrapper carelessly, but only in the dustbin. He will never dirty the place by leaning or stepping on the wall, etc.

**Negative Approach:** Deliberately unclean. Seldom clean in personal appearance. Deliberately littering the place. Throwing wrappers of toffee wherever he is. Dirtying the place whenever he gets chance. He finds a kind of pleasure in doing this.

**Neutral Approach:** No Deliberate action in his life. If one is clean it is by chance.

## **How to achieve the mission?**

### **Three-pronged approach: Teachers-Students-Parents**

It is a team work. It requires persistent and sustained efforts.

Teachers' Team: Primary, Middle and Senior Level

Students' Teams:

**Awareness Program:** slogans, placards, speech, skit, questionnaire, clean chart, etc.

**Incentives:** Clean stars in the class rooms

Mr. Clean

Miss Clean

**Groundwork** : Uniform check – Dress: neat and tidy

Shoes: polished and brushed

Nails: trimmed properly

Hair: cut properly, oiled and combed

Bag and one's materials maintained neatly

Work : legible, neat, clean

In the class, each row should be checking one another and report to the teacher.

Monthly report to the Principal by the class teacher.

Parents' involvement in sending the children as per instruction given in the school.

Children are the reflection of their parents and their home.

Surprise visit to the children's houses

At the end **a smart turn-out of each student and a clean and orderly school campus.**
